

Quality & Environmental Policy Statement

Linear Projects Limited provide services including the procurement and installation of SFS, Internal Partitions, Suspended Ceilings, Dry Lining, Standard and Bespoke Joiner Work and other associated packages for the construction industry.

We, as a company, are committed to:

- Compliance with applicable regulatory and other requirements relevant to our business and contract specification.
- Continual improvement and development of our systems and services.
- Meeting and where possible exceeding the expectations of our clients.
- Working closely with our suppliers, subcontractors and clients to ensure mutual understanding and benefit.
- Protection of the environment, preventing pollution and minimising the environmental impacts of our services taking a life cycle approach.
- Establishing and setting environmental and quality objectives and targets and communicating these to all persons working for or on behalf of the organisation.
- Reviewing our policy and objectives as part of our management review process.
- Review organisational knowledge requirements in line with business growth.
- Conduct targeted training for managers to develop skills and knowledge within their role.
- Capture environmental and social performance of the company.

As Managing Director I confirm my commitment and support, along with that of all employees of the company, to the above policy statement and the effective application of it.
