

## Quality & Environmental Policy Statement

Linear Projects Limited provide services including the procurement and installation of SFS, Internal Partitions, Suspended Ceilings, Dry Lining, Standard and Bespoke Joiner Work and other associated packages for the construction industry.

We, as a company, are committed to:

- Compliance with applicable regulatory and other requirements relevant to our business and contract specification
- Continual improvement and development of our systems and services whilst improving our environmental performance
- Meeting and where possible exceeding the expectations of our clients
- Protection of the environment, preventing pollution and minimising the environmental impacts of our services taking a life cycle approach
- Establishing and setting environmental and quality objectives and targets and communicating these to all persons working for or on behalf of the organisation.
- Improve our Project Performance Monitoring to ensure clients receives accurate and timely information
- Invest in the culture for Happy Staff including Mental Health Support Framework
- Work closely with our clients to maintain strong communication & relationships
- Provide a comfortable and efficient working environment for all staff
- Working closely with our suppliers, operatives, subcontractors and clients to maintain a strong supply chain
- Create and invest in an in-house apprenticeship programme

As Managing Director I confirm my commitment and support, including the review of our policies and objectives as part of the management system process, along with that of all employees of the company, to the above policy statement and the effective application of it.

A copy of this policy statement is available on request.
