

HEALTH & SAFETY POLICY STATEMENT

Linear UK Group Limited aim to achieve the highest standards in terms of the protection of Health & Safety. We provide design & development, management, procurement and installation relating to construction activities in the role of Principal Contractor and Specialist Sub-Contractor. In addition to this we provide a full specialist fire management service incorporating fire risk assessment, design reviews and testing of fire safety products.

We, as a company, are committed to:

- Provide safe and healthy working conditions for the prevention of work related and ill health and is appropriate to the purpose, size and context of the organisation and to the specific nature of its OH&S risks and OH&S opportunities.
- Providing a framework for setting the OH&S objectives
- Fulfilling legal and other requirements
- Eliminating hazards and reduce OH&S risks
- Continual improvement of the OH&S management system
- Consultation and participation of works, and, where they exist, workers' representatives
- Continue to provide staff with the right training and support around mental health and wellbeing
- Providing a positive pro-active culture resulting in everyone going home safely.

As CEO I confirm my commitment and support, including the review of our policies and objectives as part of the management system process, along with that of all employees of the company, to the above policy statement and the effective application of it.

A copy of this policy statement is available on request.
